NEW GAMES FROM LOONEY LABS!

Anatomy Fluxx

Anatomy Fluxx is the newest addition to our education line and takes you deep into the human body. From Bones to Blood Vessels, Anatomy Fluxx is packed with all the body bits that keep you ticking. But be on the lookout for Virus, Mutation, and Bacteria Creepers! Plus, two Learning Rules will get

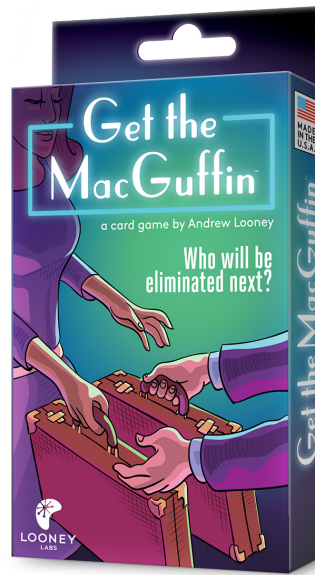

your Brain in gear with anatomical trivia. Anatomy Fluxx — for external use only!

Star Trek Fluxx and Star Trek: The Next Generation Fluxx

Get ready to blast off to the final frontier with two new *Star Trek* versions of Fluxx! *Star Trek* Fluxx features characters from The Original Series, including Spock, Uhura, and Scotty; while *Star Trek: The Next Generation* Fluxx

features characters from ST:TNG, including Troi, Riker, and Worf! Kirk or Picard? TOS or TNG? Looney Labs' prime directive is: BOTH!

Get the MacGuffin

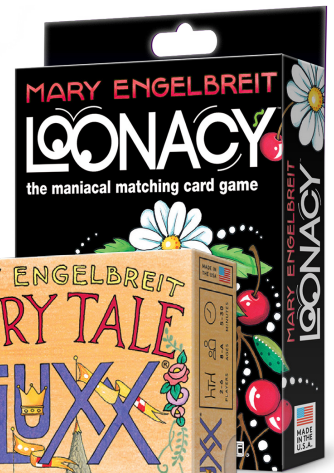

A quick game where players do their best to make clever use of a limited hand of cards ranging from ridiculously powerful to just ridiculous. A calculated risk might gain you the coveted MacGuffin, but can you hold onto it until last card is played? Is it even out there at all? Game play is simple: on your turn, play a card either to the table in front of you (if the card is an Object) or make an immediate use of its power (if it's an Action). When you're out of cards, you're out of luck!

Fairy Tale Fluxx and Mary Engelbreit Loonacy

Known for her rich, upbeat calendars and greeting cards, Mary Engelbreit's illustrations now brighten the cards of Fairy Tale Fluxx and Mary Engelbreit Loonacy!

Fairy Tale Fluxx features characters from some of your favorite childhood stories. It's great for kids and kids-at-heart! Mary Engelbreit

Loonacy features art from some of Mary Engelbreit's most adored pieces. When Mary Engelbreit joins with Looney Labs, the result is truly magical!
