Fluxx is a game about change. It begins very simply, with a couple of core rules, and gradually becomes more complex as cards are played that change the rules. Even how you win will be constantly shifting, so you're never sure who will win until someone does. With the perfect blend of luck and strategy, every game is different!

ABOUT THE GAME

Travel the world! The ever-changing card game is setting its sites on famous landmarks around the globe. Discover wonders across all 7 continents — it's got everything from Stonehenge to the Taj Mahal, including the Galápagos Islands, Panama Canal, Angkor Wat and, of course, the Statue of Liberty. Perfect for vacationers or armchair travelers, Around the World Fluxx offers a bonus mini timeline game and can be combined with Across America Fluxx for double the bucket list fun!

- Includes 25 world famous landmarks old and new and a variety of travel-themed Actions and New Rules.
- This trip around the world in 100 cards is a fun way to learn world geography and history.
- Featuring beautiful full-card artwork by Katie Melrose, the same artist that did the Across America Fluxx illustrations.
- Take game night or date night to a whole new level – fix an international meal, serve sparkly drinks with umbrellas in them, decorate the house with travel posters, play international background music, or encourage guests to do a little “international traveler” cosplaying!
