## Available at our Awesome Distributors:

## Internet Wide - Full MSRP - MAPP

Last year we implemented a 3rd party Amazon policy and it helped but it isn't enough... SO - starting this month:

In order to protect the value of our brand for ourselves and all of our stores it is our policy **NOT TO SELL OUR GAMES** to any company who lists them for sale **anywhere online** for anything less than our suggested retail price.

We are happy to take returns, you can contact us regarding this policy at: [mapp@looneylabs.com](mailto:mapp@looneylabs.com)

Full Policy: [LooneyLabs.com/MAPP](http://LooneyLabs.com/MAPP)

... and now stores can order Looney Labs games through **F A I R E**

New to FAIRE?

- \$100 off your first order

Chrononauts from @looneylabs is such a fun game and even though we have owned it for well over a decade we still get it to the table pretty often! Rumour has it there is a mini expansion coming to complete the last row and I will be picking it up immediately!

## The Rest of ROW E has finally arrived!

Now is the time to get Chrononauts back on your store shelf again!

- **Chrononauts (LOO-009)** - in print for 24 years - since the year 2000
- Over 100,000 copies sold - a favorite of many OG gamers!
- The new edition is in a larger box, with room for all expansion packs
- **Gore Years (LOO-041)** extended the timeline back in 2008...
- ... **Rest of ROW E (LOO-132)** finishes the rest of the timeline!
- Also available: **Missing Artifacts (LOO-125)** - stock all 4 SKUs this summer!

**THANK YOU** for selling Looney Labs Games in your store!
