

## Launchpad 23

Be the first to build a rocket with randomly delivered parts.

# PYRAMID ARCADE

# PYRAMID ARCADE

## ABOUT THE GAME

Pyramid Arcade is a complete game library in one box. Inside you'll find everything you need to play 22 different tabletop games, each of which uses the pyramid gaming pieces in a different way. The games in this arcade range from easy to complex, from mostly-luck to pure skill, and from time-killer to brain-burner.
