Fluxx is a game about change. It begins very simply, with a couple of core rules, and gradually becomes more complex as cards are played that change the rules. Even how you win will be constantly shifting, so you're never sure who will win until someone does. With the perfect blend of luck and strategy, every game is different!

ABOUT THE GAME

Let's do the mash... the monster mash! Classic monster movies and TV shows are the theme in this basic Fluxx deck (no Creepers). Some Goals are straightforward, like Dracula's Castle, or Howl at the Moon, while others are more playful, like Skeleton in the Closet. Some even allude to pop culture references such as Scooby Doo, Harry Potter, The Princess Bride, and Monsters, Inc. It's a graveyard smash!
