

OLYMPUS LOONACY™

THE MANIACAL
MATCHING CARD
GAME OF THE GODS!

HOW TO PLAY

2-5
PLAYERS

AGES
5-Adult

5-10
MINUTES

Players start with a hand of seven cards, and, without any turns, they start to play their cards onto the open piles on the table. The more players, the fewer the piles, so competition can be fierce! If the rush of card playing comes to a halt because nobody can play, everyone draws a card to their hand, so you will likely find yourself on the brink of victory, only to be saddled with extra cards. The first player to empty their hand is the winner!

ABOUT THE GAME

The maniacal matching fun of Loonacy has reached the peak of Mount Olympus! This version of the high-speed card game features all the greatest deities and heroes of Greek and Roman mythology, each beautifully depicted in stunning new illustrations by Echo Chernik! To win, be the first to empty your seven-card hand by matching up the gods and goddesses. Aphrodite says you'll love it!

- Artwork by award-winning Echo Chernik!
- Learn Greek and Roman names for each mythological character.
- Fast-paced matching game that's like popcorn — you can't play just once!
- Classic "Solitaire" and "Go Fish" variants allow time to enjoy the artwork.
- Great for students learning about Greek mythology!
