

STAR TREK™ VOYAGER FLUXX®

HOW TO PLAY

Fluxx is a game about change. It begins very simply, with a couple of core rules, and gradually becomes more complex as cards are played that change the rules. Even how you win will be constantly shifting, so you're never sure who will win until someone does. With the perfect blend of luck and strategy, every game is different!

ABOUT THE GAME

Journey home from the Delta Quadrant aboard the Starship *Voyager*! The fourth Fluxx-style excursion into the *Star Trek* universe features Captain Janeway and her crew along with plenty of their enemies: The Kazon, Species 8472, and of course, the Borg. You'll also find several Timeships, the Holographic Doctor's mobile emitter, and Janeway from the Future. The usual ever-changing rules of Fluxx apply, with a few new twists like the Caretaker and Ancestor's Eve.

- Fourth and final in the *Star Trek* Fluxx series – fans can choose their favorite between *Original Series*, *Next Generation*, *Deep Space Nine*, or *Voyager*.
- Also in this series: *Chrono-Trek*, a time travel game covering the entire *Star Trek* universe.
- Fluxx has been in continuous print for over 20 years and has sold over 4 million copies.
